### **Abstract**

IQAC organized the guest lecture on “*Intellectual Property Right special reference to the Copy Right Act*”. The lecture was delivered by **Dr. D. K. Veer**. He focused on the Intellectual Properties especially on the Copy Right Act. He explained how to protect intellectual properties by implementing the rules included in Copy Right Act 1965. He also explained the legal consequences of Pilgarism. He informed the faculty about historical development of intellectual Property Right.

At the outset, it was an interesting orientation on complicated and popularly misunderstood concept of intellectual Property. This activity proved that Knowledge is power and knowledge is wealth in present scenario.
