Abstract

Department of Public Administration organized One Day “**Examination Orientation Workshop**” for Students of Arts faculty. The format and structure of SRTMU Nanded is different from that of 12th std. examination. As per prescribed syllabus unit wise marks weightage and answering modes that include MCQ and theoretical to short and long answer requires good writing skills. All these things were relamiliatied to students to ensure better performance of students in the examination. Apart from being examination oriented teaching learning the Public Administration department instills practical usages of the subject knowledge among students
